LET THE USINGER ELVES DO THE WORK!

They'll take all the worry out of your gift giving, if you select their gift assortments to send to your most discriminating friends and business associates.

Usinger's Famous Sausage has been pleasing the fussiest "Feinschmeckers" (gourmets) since 1880. Each sausage is seasoned just right with the finest imported natural spices and delicately smoked to perfection. The taste-tempting goodness of Usinger's sausage is sure to be enthusiastically welcomed by everyone on your holiday list and enjoyed by their entire family.

The assortments are packed in distinctive cartons. That extra touch of thoughtfulness is evident as most sausage is brightly wrapped in sparkling foil or scenic boxes. It's fun to open our gift boxes!

Based on the complimentary comments made by recipients, we can confidently say that these assortments are the perfect gift—no better way to say, "Best Wishes for a Happy Holiday Season!"
