2025 HOLIDAY GIFTS

WELCOME TO OUR 2025 USINGER'S HOLIDAY CATALOG!

Sausage making is our family passion! This small family owned business, 145 years old, is making sausage using many of the original recipes Fred Usinger brought to Milwaukee from Germany in 1880. Now the fifth generation of his family works daily, hands on, to continue the family tradition of making great sausage.

Whether you are giving a gift, entertaining family and friends, or just making yourself the best sausage sandwich, you will be glad you chose Usinger's. We have said it before, we will say it again, the best you can give is our "wurst" made with our family skill and pride! That's why we have been named America's finest sausage.

Any of our 40 attractively packaged gift assortments will delight your recipients. The surprise arrival of a gift is surpassed when the box is opened and the sausages within are enjoyed. Our sausages are made with choice meats, seasoned with the finest domestic and imported spices, then finished over natural hickory, oak or applewood slabs in one of our 17 two story brick pit smokehouses.

Whether new to Usinger's or a loyal returning customer, you can depend on our family to help make your gift giving meaningful and memorable. By adding pleasure to holiday celebrations that make everyone feel good, and thankful for being together, whether across the table or connecting across the country, we are pleased to be a part of your gift giving.

We say thank you and enjoy! Happy holidays!
